Dear Jim,

Our friend with the Boston Red Sox who is interested in the JFK assassination and who may like to meet you is Steve August. He is the director of major leaguue operations of the team.

They are, as you know, at Fenway Park.

That addrsss is 4 Yawkey Way, Boston, MA 02215-5496.

The team may not be playing down there for some time.

Sprry I forgot to tell him how to get in touch with you.

Hope your work is coming along well and that what I last wrote you about that curbstone is helpful to you.

Our best,

Harold
